

YOU ARE INVITED TO SEE THE FILM

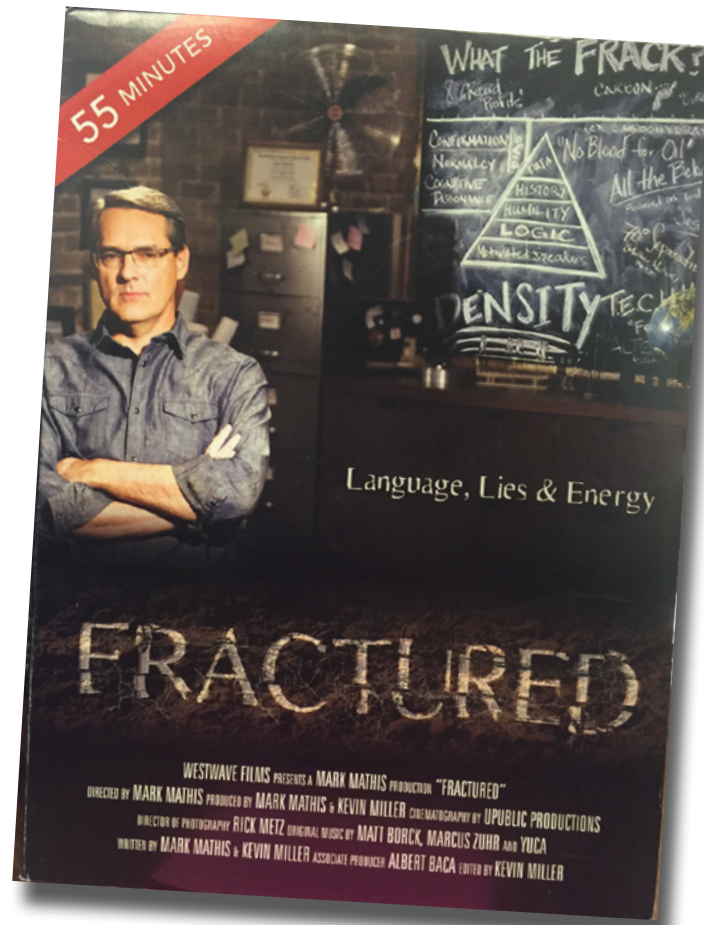

**The words**  
we use to talk  
about  
**energy**  
aren't  
just misleading,  
they're outright  
deceptions, and  
it's no accident.

**This powerful,**  
entertaining and  
highly  
educational  
documentary  
features  
journalist Mark  
Mathis as he  
exposes the truth  
behind  
the rhetoric.

**Come discover**  
how to speak  
**clearly and**  
**rationally** about  
the most  
essential  
resources in our  
lives:

**energy**  
& the environment.

**“FRACTURED: Language, Lies & Energy”**

**TEC reps onsite for Q&A and discuss energy job opportunities.**

**Tuesday, April 4th**  
**5 PM - 7 PM**  
**BLB Room 005**

**Free pizza and drinks provided**

**PLEASE RSVP**

**noon Monday, April 3 to**
